Spices to save your life.

Modern science is beginning to uncover the ultimate power of spices and herbs, as weapons against illnesses from cancer

to Alzheimer's disease. "We're now starting to see a scientific basis for why people have been using spices medicinally for thousands of years," says Bharat Aggarwal, Ph.D., professor at the University of Texas M.D. Anderson Cancer Center in Houston and author of the upcoming *Healing Spices* (Sterling, January 2011).
